## OSHC

(Outside School Hours Care & Vacation Care)

---

The Jamboree Heights Out of School Hours Care (OSHC) Service operates from within the school grounds and can provide care to all students of JHSS and surrounding community, for both before and after school hours and vacation care. The service is also able to offer casual care during their operation hours.

The service features a modern, purpose-built facility containing wonderful resources to stimulate and occupy your child's mind whilst care is being provided by fully qualified and experienced staff.

The service program contains structured craft activities and fun-based physical games and recreational challenges, aimed at ensuring all groups and abilities are recognised and provided for at every session.

A nutritional afternoon tea is provided each afternoon and breakfast is provided each morning.

The service is fully licensed by the Office of Early Childhood Education and Care. Attendance at the service is subject to completion of an enrolment form which is available from the OSHC room daily from 6.30 - 9.00am and from 2.00 - 6.30pm.

The Vacation Care program is offered during each school holiday period with imaginative themed days and fun-packed excursions catering for all age groups. Attendance at vacation care requires a separate enrolment form available from the service 4-6 weeks prior to each holiday break.

### **Hours of Operation:**

**Before School Care:** 6.30 - 9am (years 1-6 are signed out at 8.40am; preps are escorted to class at 8.50am)

(During Term 1 & Term 2 the Year 1's are escorted to and from class.)

**After School Care:** 3 - 6.30pm (years 1-6 make their own way to the OSHC building; preps are collected from class)

Vacation Care: 6.30am - 6.30pm

Note - the service does not operate on public holidays and is closed for two weeks over the Christmas / New Year period.

Information regarding fee structure, payment and eligibility for CCMS (Childcare Management System) can be obtained by contacting the service.

Phone: 3725 5645 or 0412 066 341 during OSHC operating hours, or Email: [jhoshc@bigpond.com](mailto:jhoshc@bigpond.com) after hours. (Email is the preferred method during busy periods)

**Jamboree Heights State School Parent & Citizen Association needs your help. If you can spare some of your valuable time to assist us we would be most appreciative. Here at JHSS we ask that each adult in each family does JUST ONE THING to help out at school. Our website has extra details and ways to volunteer and we will send out an email in the new year with an online sign up sheet.**

Parent volunteers offer a valuable resource and support base for the school community while showing their kids the importance of participating in the larger community. Not only does the school reap the benefits of parent involvement – parents do as well. By interacting with teachers, administrators and other parents on a regular basis, parents gain a first hand understanding of their child's daily activities.

Parents also benefit from being involved in their children's education, whether it be by getting ideas from school on how to help and support their children, and by learning more about the schools academic program and how it works. Perhaps most important, parents benefit by becoming more confident about the value of their school involvement. Parents develop a greater appreciation for the important role they play in their children's education.
